

Alternatives Presentation Meeting Notice

Route 78 Scoping Study Highgate Village

Date: Thursday, July 9, 2015

Time: 7:00 pm

*Location: Highgate Municipal Offices
2996 Route 78*

Project Description:

Vanasse Hangen Brustlin, Inc. (VHB) of South Burlington is a consulting engineering firm working for the Town of Highgate to complete a Scoping Study that identifies improvements along Route 78 within Highgate Village extending from Highgate Rd (Rte 207) to O.C. McCuins in the Village. The project focuses on pedestrian and bicycle infrastructure improvements, but will also consider other safety improvements as they relate to improving mobility of pedestrians and bicyclists.

Meeting Description:

The intent of this meeting is to present alternatives for the project referenced above to the public and to gather public comments. Representatives from both VHB and the Town will be at the meeting to hear public concerns and ideas for the project.
