State of Vermont

Dear Sir or Madam,

The Vermont Veterans' Home would like to ask you to place a link on your website to the Home's Facebook and the Home's website.

Many Vermont Veterans, or Veterans in the surrounding tri-state area, do not know that a residential facility for Veterans exists in Vermont, nor are they aware of the programs and care that are provided for service men and women and their spouses. Also, the link offers important information for children who may be required to coordinate the future care of an aging parent who was in the military or for their spouse.

By assisting with this one small act, we are partnering to help families know about The Vermont Veterans' Home. Our website is

<http://vvh.vermont.gov>.

If you are unfamiliar with the Vermont Veterans' Home, I invite you to take a look at the Buzzword. On our Home Page please click on About Our Home. In the box at the left, choose Newsletters; current and past issues are available for your perusal.

If you have any questions or concerns, please contact me.

I thank you in advance for your cooperation.
