- The Chair may limit speaking time for each individual and ask that similar points of view from multiple speakers not be repeated.
- Complaints will be directed through the Complaints Policy, i.e.
 - Attempt to address the complaint first with teacher/staff member, and,
 - If not satisfied, discuss complaint with the principal, and,
 - Still not resolved, then meet with the superintendent,
 - Only then, will the Board or Board Committee hear your concern at a meeting.
- When speaking with the Board or Board Committee, if the complaint becomes personal, disrespectful, or threatening, then the Chair may rule the speaker "Out of Order" or,
- If the complaint addresses specific personnel or is evaluative then the Chair may invite the complainant into executive session, and,

Anyone making a comment can expect a response from the Board or Board Committee that will fall into one of the following categories:

- Thank the person with no further action planned.
- Immediate response by the Chair or administration.
- Direct the administration to contact and respond to the person.
- Seek clarification from the administration at a specified meeting.
