

VSNIIP is funded by \$4.00 added to the licensing of dogs. Dogs are required by law to be licensed in the town in which you live by six months of age. Proof of a rabies vaccination within the last year is required to be able to license a dog. Puppies and kittens can have a rabies vaccination after 12 weeks of age. Tractor Supply stores offer monthly rabies clinics as do some humane society shelters.

Below is a list of places that offer low cost spay & neuter clinic options to VSNIIP. Animals usually come home the day of surgery. If you must travel, enjoy the day in the area! You may want to call your local humane society to see if they've added a spay day to their schedule.

## TIME TO SPAY AND NEUTER YOUR CATS AND DOGS!

The VT Spay Neuter Incentive Program (**VSNIP**), under the VT Department of Children & Families, is administered by VT Volunteer Services for Animals Humane Society. **Funded by a \$4.00 fee added to the licensing of dogs, this monetary resource is limited by the number of dogs licensed, which is required by law by six months of age.** Puppies and kittens can have the first rabies vaccination after 12 weeks of age. If unable to schedule an appointment with a veterinary office for this vaccination, Tractor Supply Stores hold monthly clinics as well as humane societies during the month of March. Call for their schedules. After the vaccination, contact your town clerk and provide proof of the rabies vaccination to license your dog.

**Rabies IS in Vermont and it IS deadly.**

### Licensing a dog:

- 1) Helps identify your dog if lost.
- 2) Provides proof your dog is protected from rabies in the event your dog is bitten by a rabid animal {but still needs immediate medical attention}.
- 3) Protects your animal if they bite another animal {or person – which could result in the quarantine of your dog or possibly euthanized in order to test for rabies if not currently vaccinated}.
- 4) Pays for this necessary program addressing the population situation in VT.

For an Application for VSNIP and a List of Participating Offices, send a S.A.S.E. (a 9" Self-Addressed, Stamped Envelope) to: VSNIP, PO Box 104, Bridgewater, VT 05034. Or, to download and print, go to: [VSNIP.VERMONT.GOV](http://VSNIP.VERMONT.GOV) Indicate if it's for a cat, dog or both. Once *fully* completed, you will mail it back. If approved, you will receive your Voucher and instructions.

The cost for the surgery to you is only \$27.00, providing there are no complications. Fellow Vermonters pay the balance of your account from funds collected at the time of dog registration. Please be SURE your cat or dog is completely flea and tick free **before** the visit. Animals left UN-neutered are more prone to forms of cancer.

Thank veterinarians for their participation in this important program. If your veterinarian is not a participant, please encourage them to join. Several veterinarians have retired, leaving a reduced number of participating offices. VSNIP offices are accepting less reimbursement than what they would usually charge for their services. We NEED them :) Let them know you appreciate the difference they've made in our state over the years when euthanasia was the means of animal over-population control. Those days are behind us ~ let's keep it that way!
