

Button Up to Save Energy in Your Home

Air Sealing & Insulation Workshop

Tuesday, October 16, 2018

6:00pm

Highgate Municipal Office Community Room
2996 Route 78, Highgate, VT

Allowing heated or cooled air escape your home is costly. Come to this informal workshop to learn about ways to tighten up your home and save money on energy bills.

This FREE workshop will cover:

- how homes lose energy
- opportunities for air sealing and insulation
- financial incentives available
