AT ANY TIME OF THE YEAR, St. Albans is a small, charming Vermont City to visit. The well-preserved architecture of yesteryear combines with tree-lined parks, gourmet restaurants, quaint shops, and up-to-date lodgings, to provide the newcomer with a warm welcome, and a rich, pleasure-filled experience. Amid working dairy farms and close to the shores of historic Lake Champlain. St. Albans is a feast for the eyes and the spirit.

And there is no better time to be there than the last week in April when St. Albans opens their streets and doors for a special welcome to host the Vermont Maple Festival. Winter's over—the new crop of maple syrup has been harvested from the woods by sugarmaker families, and it's time for hometown folks and visitors alike to join in the festivities and enjoy the official Flavor of Vermont!

Special thanks to the City of St. Albans, St. Albans City Police, downtown merchants, AMCARE, Fire Department, Vermont Agency of Agriculture & UVM Extension.
